

# MORTGAGE BANKING

# 1986 ARTICLE INDEX

**T**he 1986 Index is divided into two parts: Author/Title and Subject. The Author/Title section lists all 1986 MORTGAGE BANKING articles alphabetically according to author's last name and article title. The titles are italicized and author names appear within parentheses.

In the Subject section, all 1986 MORTGAGE BANKING articles are listed alphabetically according to title under the appropriate subject; some articles may appear under more than one subject. To assist your searching needs, the subject headings are listed below. It is recommended that you check this list first to determine under which heading your topic would be and then proceed to that part of the subject index.

Acquisitions & Mergers  
Adjustable Rate Mortgages (ARMs)  
Alternative Mortgage Instruments  
Appraisal  
Branch Management  
Case Studies  
Construction Loans  
Customer Services  
Defaults & Foreclosures  
Economics  
Employee Management, Recruitment & Training  
FHA  
FHLB  
Financial Institutions  
FNMA  
Future, Options & Securities  
GNMA  
Government Legislation & Regulation  
Income Property  
Industry Trends, Forecasts  
Internal Management
